### Hints for Small Group Discussion

Group is not the same as community.

The church creates groups, but you create community together.

Loving God is best demonstrated by loving people and being in relationship with them.

#### *A few guidelines to keep in mind:*

**Safe Environment** To create a safe place where people can be heard and feel loved so we will be careful with being judgmental, giving quick answers, and offering our simple fixes to complex situations.

**Respect Others** In sharing, to remain mindful that there are time limitations and others may want to share.

**Be Confidential** To keep anything that is shared strictly confidential and within the group.

**Pray for Each Other** Leave time at the end and ask, “How can the group pray for you this week?”
