"Invitation to Serve" -- What will my family and I be doing?	Please join us in serving our veterans at Camp Hope suffering from the effects of combat-related Post Traumatic Stress. We'll be working in the garden, repairing facilities and supporting maintenance operations, as well as having fun playing games, music and other activities with our veterans that are catalysts for healing.	Please join us for a powerful and emotional day of ministry as we serve food, listen to imprisoned mother testimonials, pray imprisoned mothers are filled with the Holy Spirit, and join them in meaningful praise and worship, as we conduct an Alpha Holy Spirit Saturday.	Join us for a morning of enjoyable, sustainable, and effective prayer for our community! For small groups, serving groups, individuals and families -- we will have live worship and prayer opportunities 9am-2pm in the Great Southwest Prayer Center. Join the worship and prayer before or after your CHLB project, pick up a PRAYER WALK YOUR CITY guide, and sign up for faith sharing. Let's cover our city and all our CHLB projects in prayer!	We are looking for volunteers who have purchased a home and have a decent knowledge of navigating the USA financial system. We are asking volunteers to sit at tables with our international friends and join in conversations about these topics.	Join us in serving as we gather with our friends and family and for a fun afternoon of carnival games, trunk or treat, inflatables, food, and much much more. This event will be a great time for you to connect with friends and the community. We will need help with setting up, station attendants and tearing down.	Enjoy this family-friendly day at the Boys and Girls Country home in Hockley. Boys and Girls Country is a nearby orphanage with kids of all ages. We will be facilitating games, assisting with crafts, managing the large bouncy house and fellowshiping with the children and cottage parents.	The Ballard House is a beacon of hope to those facing medical journeys by offering a place where healing begins with a supportive and nurturing embrace. There will be several serving opportunities including mulching, window washing, shed cleanout, encouragement card making, and much more, all to be followed with a fellowship meal together and joyful worship.	Enjoy fun and fellowship at the Garden of Grace as we harvest and provide produce to the under-resourced families in the Katy community. We will harvest purple okra and potentially sweet potatoes, and weed and mulch our garden. In addition, we will be making new tomato cages.	"Transforming lives through God's Grace and the generosity of our community! "There will be several different serving opportunities! Projects range from helping in the First Street Resale store on multiple projects, helping at the Porter road location, along with serving in the Community garden. Children will be helping with several craft projects and much more.	Katy Responds is dedicated to rebuilding homes and restoring hope after disasters for vulnerable seniors and under-resourced families. There will be several different serving opportunities including interior finishing work, painting, outdoor landscaping, cleaning, tile work, hanging doors, and so much much more.	Have you ever wondered what happens at the Pregnancy Help Center? You are invited to serve and see! Join us for several indoor projects including assembling ultrasound bags for women facing an unexpected pregnancy, prepping items for parenting classes and a bit of deep cleaning. These tasks are simple, but have huge impacts for our clients. Outdoor projects include landscaping a small fenced area, staining a wood fence and washing windows. These projects require a bit more manual labor. Tours of the PHC will be conducted throughout the morning to help you learn more about the mission and ministries of the PHC.	Join us in this hands-on, meaningful way of serving the vulnerable by helping to pack meals that will be distributed locally, nationally and globally. We will also need some non-packing positions to help with set up, registration, hospitality, replenish the packing teams, and tear down.	Join Student Ministry as we serve the Sundown Community by working with Sundown Elementary School on different projects needed around the school.	Clothed by Faith gives a week's worth of clothing to children and adults in need. Please join us to sort clothing donations that will be used to serve the community.	GCRBC provides blood to over 170 hospitals in the Gulf Coast Region. We must collect at least 1000 units a day to serve patients in our community. Help us save lives by donating at the Grace Fellowship blood drive on Sunday, October 13th.
