Listening

- "Prayer is at the heart of the Christian life. It is through prayer that we communicate with God, and often it is through prayer that God communicates with us. Prayer isn't only about speaking but also about listening, not only about asking, but also about yielding, not only meditation but also praise, not only a practice but also mystery, no to only a devotion but also ministry." -Justo Gonzalez

Listening Prayer

Psalm 62
Why is it important to listen?
If prayerlessness is an offensive form of pride, then certainly moving without clear direction from God is a part of this offensive pride.
